

Live Oak County Annual ADA Self-Evaluation Policy

Live Oak County will conduct an ADA self-evaluation on an annual basis to review facilities, programs, services, and policies for accessibility compliance. This process ensures that barriers to access are identified, documented, and addressed in a timely manner.

The results of each annual self-evaluation will be:

- Reported to the Commissioners Court and the ADA Coordinator.
- Used to update the County's ADA Transition Plan.
- Made available to the public upon request.

This commitment demonstrates the County's responsibility to provide equal access under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act.
